| Artikelname              | Anti-Blood Group Lewis a Purified, Clone: [7LE], Monoclonal                                                                                     |
| Artikelnummer            | EXB-11-385-C025                                                                                                                                 |
| Hersteller Artikelnummer | 11-385-C025                                                                                                                                     |
| Alternativnummer         | EXB-11-385-C025                                                                                                                                 |
| Hersteller               | EXBIO                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                      |
| Applikation              | WB, ELISA, IHC-P                                                                                                                                |
| Spezies Reaktivität      | Human                                                                                                                                           |
| Immunogen                | Mucin isolated by size-exclusion chromatography from an ovarian cyst fluid (pure endocervical type according to the Fenoglio's classification). |
| Klonalität               | Monoclonal                                                                                                                                      |
| Konzentration            | 1 mg/ml                                                                                                                                         |
| Klon-Bezeichnung         | [7LE]                                                                                                                                           |
| Isotyp                   | IgG1                                                                                                                                            |
| Puffer                   | Phosphate buffered saline (PBS), pH 7.4, 15 mM sodium azide                                                                                     |
| Lagerung                 | 2°C to 8°C                                                                                                                                      |
| Antibody Type            | Monoclonal Antibody                                                                                                                             |

|                        |                                                                                                                                                                                                                    |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Anwendungsbeschreibung | Immunohistochemistry (paraffin sections): Recommended dilution: 5 µg/ml, positive control: colorectal adenocarcinoma, heat mediated antigen retrieval (sodium citrate), mAb incubation 1 hour / RT, detection DAB. |
