| Artikelname              | Anti-AtpA   Alpha subunit of ATP synthase, chloroplastic (plant), Rabbit, Polyclonal                                                                                                                                        |
| Artikelnummer            | AGR-AS08-304                                                                                                                                                                                                                |
| Hersteller Artikelnummer | AS08-304                                                                                                                                                                                                                    |
| Alternativnummer         | AGR-AS08-304                                                                                                                                                                                                                |
| Hersteller               | Agrisera                                                                                                                                                                                                                    |
| Wirt                     | Rabbit                                                                                                                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                                                                                                                  |
| Applikation              | IP, WB                                                                                                                                                                                                                      |
| Spezies Reaktivität      | A. thaliana, Plant                                                                                                                                                                                                          |
| Immunogen                | Recombinant maize chloroplast AtpA P05022                                                                                                                                                                                   |
| Produktbeschreibung      | ATP synthase is the universal enzyme that synthesizes ATP from ADP and phosphate using the energy stored in a transmembrane ion gradient. AtpA is the largest subunit of the membrane-extrinsic ATP synthase subcomplex.... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                  |
| Molekulargewicht         | 55 kDa                                                                                                                                                                                                                      |
| NCBI                     | <a href="#">845169</a>                                                                                                                                                                                                      |
| UniProt                  | <a href="#">P05022</a>                                                                                                                                                                                                      |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Reinheit               | Serum                                         |
| Formulierung           | Lyophilized                                   |
| Antibody Type          | Polyclonal Antibody                           |
| Application Verdünnung | 1: 200 (IG), 1 : 5 000 (WB)                   |
| Anwendungsbeschreibung | For reconstitution add 50 µl of sterile water |
