| Category                   | Antikörper                                                                                                                                                                                                                                              |
| Application                | ELISA                                                                                                                                                                                                                                                   |
| Species Reactivity         | Human                                                                                                                                                                                                                                                   |
| Conjugation                | Unconjugated                                                                                                                                                                                                                                            |
| Product Description        | Monoclonal antibody specific for Insulin, This monoclonal antibody enables sensitive and specific detection of human Insulin in ELISA., We recommend E2-E3 as capture antibody in ELISA in combination with biotinylated detection antibody 2D11-H5.... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                              |
| Clone Designation          | [E2-E3]                                                                                                                                                                                                                                                 |
| Isotype                    | IgG1                                                                                                                                                                                                                                                    |
| NCBI                       | <a href="#">3630</a>                                                                                                                                                                                                                                    |

|                   |                                                                                                                                                                                                                                                                                                           |
|-------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target            | Insulin                                                                                                                                                                                                                                                                                                   |
| Antibody Type     | Monoclonal Antibody                                                                                                                                                                                                                                                                                       |
