## Product Datasheet

**Anti-hapten 4-hydroxy-3-nitrophenyl acetyl (NP) [B1-8], Ferret IgM,,  
Monoclonal  
ABA-AB00104-49.0-BT**

|                            |                                                                                 |

| Article Name               | Anti-hapten 4-hydroxy-3-nitrophenyl acetyl (NP) [B1-8], Ferret IgM,, Monoclonal |
| Biozol Catalog Number      | ABA-AB00104-49.0-BT                                                             |
| Supplier Catalog Number    | Ab00104-49.0-BT                                                                 |
| Alternative Catalog Number | ABA-AB00104-49.0-BT                                                             |
| Manufacturer               | Absolute Antibody                                                               |
| Host                       | Ferret                                                                          |
| Category                   | Antikörper                                                                      |
| Application                | Control                                                                         |
| Species Reactivity         | Ferret                                                                          |
| Product Description        | hapten-protein conjugated NP12-chicken gammaglobulin (CG)....                   |
| Clonality                  | Monoclonal                                                                      |
| Clone Designation          | [B1-8]                                                                          |
| Isotype                    | IgM                                                                             |
| UniProt                    | <a href="#">n/a</a>                                                             |
| Buffer                     | PBS only.                                                                       |
| Source                     | Mouse                                                                           |
| Target                     | hapten 4-hydroxy-3-nitrophenyl acetyl (NP)                                      |
