## Product Datasheet

### **Anti-Mouse IgM heavy chain (Unconjugated), IgG2a kappa, Clone: LO-MM-9 SYN-LO-MM-9-P-100**

|                            |                                                                        |
|----------------------------|------------------------------------------------------------------------|
| Article Name               | Anti-Mouse IgM heavy chain (Unconjugated), IgG2a kappa, Clone: LO-MM-9 |
| Biozol Catalog Number      | SYN-LO-MM-9-P-100                                                      |
| Supplier Catalog Number    | LO-MM-9-P-100                                                          |
| Alternative Catalog Number | SYN-LO-MM-9-P-100                                                      |
| Manufacturer               | Synabs                                                                 |
| Category                   | Antikörper                                                             |
| Application                | ELISpot, ELISA, CS, IA, IAC                                            |
| Species Reactivity         | Rat                                                                    |
| Concentration              | 1mg/mL                                                                 |
| Clone Designation          | LO-MM-9                                                                |
| Isotype                    | IgG2a kappa                                                            |
| UniProt                    | <a href="#">P01872</a>                                                 |
| Buffer                     | PBS/0,1%NaN3                                                           |
| Purity                     | Immunoaffinity chromatography (Purification on Mouse anti-Rat column)  |
| Target                     | Mouse IgM heavy chain                                                  |
