| Host                       | Mouse                                                                                                                                                                                                                                            |
| Category                   | Antikörper                                                                                                                                                                                                                                       |
| Application                | ELISA                                                                                                                                                                                                                                            |
| Species Reactivity         | Human                                                                                                                                                                                                                                            |
| Conjugation                | Biotin                                                                                                                                                                                                                                           |
| Product Description        | Monoclonal antibody specific for IL-17F, This monoclonal antibody enables sensitive and specific detection of human IL-17F in ELISA., We recommend MTF1927 as detection antibody in IL-17F ELISA in combination with capture antibody MTF912.... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                       |
| Clone Designation          | [MTF1927]                                                                                                                                                                                                                                        |
| Isotype                    | IgG1                                                                                                                                                                                                                                             |
| NCBI                       | <a href="#">112744</a>                                                                                                                                                                                                                           |
| Target                     | IL-17F                                                                                                                                                                                                                                           |

|                   |                                                                                                                                                                                                                                                                                                                       |
