## Product Datasheet

### Goat anti-Human IgG Fc - Affinity Pure, HRP Conjugate IMU-GTXHU-004-DHRPX

|                            |                                                       |
|----------------------------|-------------------------------------------------------|
| Article Name               | Goat anti-Human IgG Fc - Affinity Pure, HRP Conjugate |
| Biozol Catalog Number      | IMU-GTXHU-004-DHRPX                                   |
| Supplier Catalog Number    | GtxHu-004-DHRPX                                       |
| Alternative Catalog Number | IMU-GTXHU-004-DHRPX                                   |
| Manufacturer               | ImmunoReagents                                        |
| Host                       | Goat                                                  |
| Category                   | Antikörper                                            |
| Species Reactivity         | Human                                                 |
| Immunogen                  | Purified Human IgG, Fc fragment                       |
| Conjugation                | HRP                                                   |
| Format                     | IgG                                                   |
| Target Specificity         | IgG (Fc)                                              |
| Cross-Adsorption (MinX)    | no cross-adsorbtion                                   |
| Concentration              | 1.0 mg/ml (E 1% at 280 nm = 13.0)                     |
| NCBI                       | <a href="#">75015</a>                                 |
| UniProt                    | <a href="#">O75015</a>                                |
| Buffer                     | PBS, 1% BSA & 0.1% proclin 150                        |
| Purity                     | Affinity purified antibody is > 95% based on SDS-PAGE |

|               |                    |
|---------------|--------------------|
| Form          | Lyophilized        |
| Antibody Type | Secondary Antibody |
