| Manufacturer               | ImmunoReagents                                                                                                                                     |
| Host                       | Goat                                                                                                                                               |
| Category                   | Antikörper                                                                                                                                         |
| Species Reactivity         | Rabbit                                                                                                                                             |
| Immunogen                  | Purified Rabbit IgG, whole molecule                                                                                                                |
| Conjugation                | DyLight 550                                                                                                                                        |
| Format                     | F(ab') <sub>2</sub>                                                                                                                                |
| Target Specificity         | IgG (H+L)                                                                                                                                          |
| Cross-Adsorption (MinX)    | Bovine,Human,Mouse                                                                                                                                 |
| Concentration              | 1.0 mg/ml (E 1% at 280 nm = 13.0)                                                                                                                  |
| Buffer                     | 10 mM Sodium Phosphate, 0.15 M Sodium Chloride, pH 7.2, 1 % (w/v) BSA, Protease/IgG free                                                           |

|               |                                                                     |
|---------------|---------------------------------------------------------------------|
| Purity        | > 90% based on SDS-PAGE Small amounts of intact IgG may be present. |
| Form          | Lyophilized                                                         |
| Antibody Type | Secondary Antibody                                                  |
