## Product Datasheet

### Goat anti-Turkey IgY (H&L), Affinity Pure, Unconjugated IMU-GTXTK-003-D

|                            |                                                         |
|----------------------------|---------------------------------------------------------|
| Article Name               | Goat anti-Turkey IgY (H&L), Affinity Pure, Unconjugated |
| Biozol Catalog Number      | IMU-GTXTK-003-D                                         |
| Supplier Catalog Number    | GtxTk-003-D                                             |
| Alternative Catalog Number | IMU-GTXTK-003-D                                         |
| Manufacturer               | ImmunoReagents                                          |
| Host                       | Goat                                                    |
| Category                   | Antikörper                                              |
| Species Reactivity         | Aves                                                    |
| Immunogen                  | Avian IgY                                               |
| Conjugation                | Unconjugated                                            |
| Format                     | IgG                                                     |
| Target Specificity         | IgY (H+L)                                               |
| Cross-Adsorption (MinX)    | no cross-adsorbtion                                     |
| Concentration              | 8-12 mg/ml (E 1% at 280 nm = 13.0)                      |
| Buffer                     | 10 mM Sodium Phosphate, 0.15 M Sodium Chloride, pH 7.2  |
| Purity                     | > 95% based on SDS-PAGE                                 |
| Form                       | Liquid, 0.2 µm filtered                                 |
| Antibody Type              | Secondary Antibody                                      |
