## Product Datasheet

### **Rabbit anti-Goat IgG (H&L) - Affinity Pure, FITC Conjugate, min x w/human, mouse, or rat IgG IMU-RBXGT-003-EFITC**

|                            |                                                                                              |
|----------------------------|----------------------------------------------------------------------------------------------|
| Article Name               | Rabbit anti-Goat IgG (H&L) - Affinity Pure, FITC Conjugate, min x w/human, mouse, or rat IgG |
| Biozol Catalog Number      | IMU-RBXGT-003-EFITC                                                                          |
| Supplier Catalog Number    | RbxGt-003-EFITC                                                                              |
| Alternative Catalog Number | IMU-RBXGT-003-EFITC                                                                          |
| Manufacturer               | ImmunoReagents                                                                               |
| Host                       | Rabbit                                                                                       |
| Category                   | Antikörper                                                                                   |
| Species Reactivity         | Goat                                                                                         |
| Immunogen                  | Purified goat IgG, whole molecule                                                            |
| Conjugation                | FITC                                                                                         |
| Format                     | IgG                                                                                          |
| Target Specificity         | IgG (H+L)                                                                                    |
| Cross-Adsorption (MinX)    | Human,Mouse,Rat                                                                              |
| Concentration              | 1.50 mg/ml (E 1% at 280 nm = 13.0)                                                           |
| Buffer                     | 10 mM Sodium Phosphate, 0.15 M Sodium Chloride, pH 7.8, 1 % (w/v) BSA, Protease/IgG free     |
| Purity                     | Affinity purified antibody is > 95% based on SDS-PAGE                                        |

|               |                                  |
|---------------|----------------------------------|
| Form          | Clear, fluorescent yellow liquid |
| Antibody Type | Secondary Antibody               |
