## Product Datasheet

### Normal Donkey Serum, Unconjugated IMU-SP-072-VX2

|                            |                                                                                             |
|----------------------------|---------------------------------------------------------------------------------------------|
| Article Name               | Normal Donkey Serum, Unconjugated                                                           |
| Biozol Catalog Number      | IMU-SP-072-VX2                                                                              |
| Supplier Catalog Number    | SP-072-VX2                                                                                  |
| Alternative Catalog Number | IMU-SP-072-VX2                                                                              |
| Manufacturer               | ImmunoReagents                                                                              |
| Category                   | Zellen/Zellkultur                                                                           |
| Conjugation                | Unconjugated                                                                                |
| Concentration              | 60.0 mg/ml (Bradford, IgG standards)                                                        |
| Buffer                     | 10 mM Sodium Phosphate, 0.15 M Sodium Chloride, pH 7.2                                      |
| Purity                     | Lipid extracted and dialyzed against 10 mM Sodium Phosphate, 0.15 M Sodium Chloride, pH 7.2 |
| Form                       | Lyophilized                                                                                 |
