| Article Name               | Progesterone Receptor Monoclonal Antibody [C262] - 50ul / Unconjugated, IgG1, Mouse                  |
| Biozol Catalog Number      | IMQ-IQ348                                                                                            |
| Supplier Catalog Number    | IQ348                                                                                                |
| Alternative Catalog Number | IMQ-IQ348-0.05                                                                                       |
| Manufacturer               | ImmuQuest                                                                                            |
| Host                       | Mouse                                                                                                |
| Category                   | Antikörper                                                                                           |
| Application                | IP, WB                                                                                               |
| Species Reactivity         | Human, Mouse, Rabbit, Rat                                                                            |
| Immunogen                  | Synthetic peptide to C-terminal tail of human progesterone receptor (PR). (aa 919-933 ILAGMVKPLLHKK) |
| Product Description        | Mouse Anti-Progesterone Receptor [C262]...                                                           |
| Clonality                  | Monoclonal                                                                                           |
| Concentration              | 1mg/ml                                                                                               |
| Clone Designation          | [C262]                                                                                               |
| Isotype                    | IgG1                                                                                                 |
| NCBI                       | <a href="#">5241</a>                                                                                 |

|                    |                                                                                                      |
|--------------------|------------------------------------------------------------------------------------------------------|
| Pubmed             | <a href="https://pubmed.ncbi.nlm.nih.gov/1448113" rel="nofollow" target="_blank">1448113</a>         |
| UniProt            | <a href="#">P06401</a>                                                                               |
| Buffer             | Purified antibody containing PBS 0.1% sodium azide                                                   |
| Purity             | Protein G                                                                                            |
| Form               | Purified antibody containing PBS 0.1% sodium azide                                                   |
| Target             | Progesterone Receptor                                                                                |
| Antibody Type      | Monoclonal Antibody                                                                                  |
| Application Dilute | Optimal antibody dilution should be determined by titration, however as a guideline use at 5-10ug/ml |
