| Host                       | Mouse                                                                                                                                                                      |
| Category                   | Antikörper                                                                                                                                                                 |
| Application                | ICC, IHC-P, WB                                                                                                                                                             |
| Species Reactivity         | Human                                                                                                                                                                      |
| Immunogen                  | Turkey gizzard calponin                                                                                                                                                    |
| Product Description        | Mouse IgG monoclonal antibody for Calponin, calponin 2 (CNN2) detection. Tested with WB, IHC-P, ICC in Human, chicken, turkey. No cross reactivity with other proteins.... |
| Clonality                  | Monoclonal                                                                                                                                                                 |
| Concentration              | Add 1ml of PBS buffer will yield a concentration of 100ug/ml.                                                                                                              |
| Clone Designation          | [CP-93]                                                                                                                                                                    |
| Molecular Weight           | 33156                                                                                                                                                                      |
| NCBI                       | <a href="#">12798</a>                                                                                                                                                      |
| UniProt                    | <a href="#">Q08093</a>                                                                                                                                                     |

|                   |                                                               |
|-------------------|---------------------------------------------------------------|
| Form              | Lyophilized                                                   |
| Antibody Type     | Monoclonal Antibody                                           |
| Application Notes | Add 1ml of PBS buffer will yield a concentration of 100ug/ml. |
