| Article Name               | DUSP16 Antibody, Unconjugated, Rabbit, Polyclonal                                                                                                  |
| Biozol Catalog Number      | AFB-AF0522                                                                                                                                         |
| Supplier Catalog Number    | AF0522                                                                                                                                             |
| Alternative Catalog Number | AFB-AF0522-100,AFB-AF0522-200                                                                                                                      |
| Manufacturer               | Affinity Biosciences                                                                                                                               |
| Host                       | Rabbit                                                                                                                                             |
| Category                   | Antikörper                                                                                                                                         |
| Application                | ICC, IF, WB                                                                                                                                        |
| Species Reactivity         | Human, Monkey, Mouse                                                                                                                               |
| Immunogen                  | A synthesized peptide derived from human DUSP16, corresponding to a region within the internal amino acids.                                        |
| Conjugation                | Unconjugated                                                                                                                                       |
| Clonality                  | Polyclonal                                                                                                                                         |
| Purity                     | The antiserum was purified by peptide affinity chromatography using SulfoLink(TM) Coupling Resin (Thermo Fisher Scientific).                       |
| Form                       | Mouse IgG1 in phosphate buffered saline (without Mg <sup>2+</sup> and Ca <sup>2+</sup> ), pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol. |
| Antibody Type              | Primary Antibody                                                                                                                                   |
| Application Dilute         | WB 1:500-1:2000, IF/ICC 1:100-1:500                                                                                                                |
