| Article Name               | Phospho-JAK1 (Tyr1022)[Tyr1034] Antibody, Unconjugated, Rabbit, Polyclonal                                                                                     |
| Biozol Catalog Number      | AFB-AF2012                                                                                                                                                     |
| Supplier Catalog Number    | AF2012                                                                                                                                                         |
| Alternative Catalog Number | AFB-AF2012-100,AFB-AF2012-200                                                                                                                                  |
| Manufacturer               | Affinity Biosciences                                                                                                                                           |
| Host                       | Rabbit                                                                                                                                                         |
| Category                   | Antikörper                                                                                                                                                     |
| Application                | ICC, IF, IHC, WB                                                                                                                                               |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                              |
| Immunogen                  | A synthesized peptide derived from human JAK1 around the phosphorylation site of Tyr1034.                                                                      |
| Conjugation                | Unconjugated                                                                                                                                                   |
| Clonality                  | Polyclonal                                                                                                                                                     |
| Purity                     | The antibody is from purified rabbit serum by affinity purification via sequential chromatography on phospho-peptide and non-phospho-peptide affinity columns. |
| Form                       | Rabbit IgG in phosphate buffered saline , pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.                                                             |
| Antibody Type              | Primary Antibody                                                                                                                                               |

|                    |                                                     |
|--------------------|-----------------------------------------------------|
| Application Dilute | WB 1:500-1:2000, IHC 1:50-1:500, IF/ICC 1:100-1:500 |
|--------------------|-----------------------------------------------------|
