| Article Name               | Phospho-MeCP2 (Ser423) Antibody, Unconjugated, Rabbit, Polyclonal                                                                                              |
| Biozol Catalog Number      | AFB-AF3656                                                                                                                                                     |
| Supplier Catalog Number    | AF3656                                                                                                                                                         |
| Alternative Catalog Number | AFB-AF3656-100,AFB-AF3656-200                                                                                                                                  |
| Manufacturer               | Affinity Biosciences                                                                                                                                           |
| Host                       | Rabbit                                                                                                                                                         |
| Category                   | Antikörper                                                                                                                                                     |
| Application                | ICC, IF, IHC                                                                                                                                                   |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                              |
| Immunogen                  | A synthesized peptide derived from human MeCP2 around the phosphorylation site of Ser423.                                                                      |
| Conjugation                | Unconjugated                                                                                                                                                   |
| Clonality                  | Polyclonal                                                                                                                                                     |
| Purity                     | The antibody is from purified rabbit serum by affinity purification via sequential chromatography on phospho-peptide and non-phospho-peptide affinity columns. |
| Form                       | Rabbit IgG in phosphate buffered saline , pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.                                                             |
| Antibody Type              | Primary Antibody                                                                                                                                               |
| Application Dilute         | IHC 1:50-1:200, IF/ICC 1:100-1:500                                                                                                                             |
