## Product Datasheet

### [pSer10]Histone H3 polyclonal antibody ENZ-ADI-905-780-100

|                            |                                                                              |
|----------------------------|------------------------------------------------------------------------------|
| Article Name               | [pSer10]Histone H3 polyclonal antibody                                       |
| Biozol Catalog Number      | ENZ-ADI-905-780-100                                                          |
| Supplier Catalog Number    | ADI-905-780-100                                                              |
| Alternative Catalog Number | ENZ-ADI-905-780-100-100                                                      |
| Manufacturer               | Enzo Life Sciences                                                           |
| Host                       | Rabbit                                                                       |
| Category                   | Antikörper                                                                   |
| Application                | WB                                                                           |
| Species Reactivity         | Human                                                                        |
| Immunogen                  | Synthetic peptide corresponding to human Histone H3 phosphorylated at Ser10. |
| Product Description        | [pSer10]Histone H3 polyclonal antibody...                                    |
| Clonality                  | Polyclonal                                                                   |
| UniProt                    | <a href="#">P68431</a>                                                       |
| Source                     | Purified from rabbit serum.                                                  |
| Purity                     | Protein A affinity purified.                                                 |
| Form                       | Liquid. In PBS, pH 7.2, containing 50% glycerol and 0.09% sodium azide.      |
| Target                     | Histone                                                                      |
