## Product Datasheet

### Caspase-10 polyclonal antibody ENZ-ADI-AAP-110-E

|                            |                                                                    |
|----------------------------|--------------------------------------------------------------------|
| Article Name               | Caspase-10 polyclonal antibody                                     |
| Biozol Catalog Number      | ENZ-ADI-AAP-110-E                                                  |
| Supplier Catalog Number    | ADI-AAP-110-E                                                      |
| Alternative Catalog Number | ENZ-ADI-AAP-110-E-100                                              |
| Manufacturer               | Enzo Life Sciences                                                 |
| Host                       | Rabbit                                                             |
| Category                   | Antikörper                                                         |
| Application                | WB                                                                 |
| Species Reactivity         | Human                                                              |
| Immunogen                  | Synthetic peptide corresponding to aa 505-521 of human Caspase-10. |
| Product Description        | Caspase-10 polyclonal antibody...                                  |
| Clonality                  | Polyclonal                                                         |
| UniProt                    | <a href="#">Q92851</a>                                             |
| Purity                     | DEAE purified.                                                     |
| Form                       | Liquid. In PBS containing 0.02% sodium azide.                      |
| Target                     | Caspase  Caspase-10                                                |
| Application Notes          | Detects a band of ~59kDa by Western blot.                          |
