| Species Reactivity         | Human, Mouse                                                                                                                                                                                                                                                  |
| Immunogen                  | Human full-length INI1 protein                                                                                                                                                                                                                                |
| Product Description        | The INI-1 gene, which encodes a functionally uncharacterized protein component of the hSWI/SNF chromatin remodeling complex, is often mutated or deleted in malignant rhabdoid tumor (MRT). Two isoforms of INI-1, that differ by the variable inclusion o... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                    |
| Clone Designation          | [SMARCB1/4587R]                                                                                                                                                                                                                                               |
| Molecular Weight           | 47kDa                                                                                                                                                                                                                                                         |
| NCBI                       | <a href="#">6598</a>                                                                                                                                                                                                                                          |

|                   |                                                                                                                                                                                                                                                             |
