| Article Name               | CD8B (Cytotoxic / Suppressor T-Cell Marker) Antibody, IgG1, Clone: [CBB/1595], Mouse, Monoclonal |
| Biozol Catalog Number      | NBT-926-MSM2-P1ABX                                                                               |
| Supplier Catalog Number    | 926-MSM2-P1ABX                                                                                   |
| Alternative Catalog Number | NBT-926-MSM2-P1ABX-100                                                                           |
| Manufacturer               | NeoBiotechnologies                                                                               |
| Host                       | Mouse                                                                                            |
| Category                   | Antikörper                                                                                       |
| Application                | ELISA                                                                                            |
| Species Reactivity         | Bovine, Goat, Sheep                                                                              |
| Immunogen                  | Antibody was raised against bovine CD8b.                                                         |
| Product Description        | Purified Ab WITHOUT BSA and Azide at 1.0mg/ml...                                                 |
| Clonality                  | Monoclonal                                                                                       |
| Clone Designation          | [CBB/1595]                                                                                       |
| Molecular Weight           | 32kDa                                                                                            |
| Isotype                    | IgG1                                                                                             |
| NCBI                       | <a href="#">926</a>                                                                              |
| UniProt                    | <a href="#">P10966</a>                                                                           |

|                   |                                                                                                                                                                        |
|-------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Form              | 200ug/ml of Ab Purified from Bioreactor Concentrate by Protein A/G. Prepared in 10mM PBS with 0.05% BSA & 0.05% azide. Also available WITHOUT BSA & azide at 1.0mg/ml. |
| Antibody Type     | Monoclonal Antibody                                                                                                                                                    |
| Application Notes | ELISA (For coating, order Ab without BSA), Optimal dilution for a specific application should be determined.                                                           |
