| Manufacturer               | Agrisera                                                                                                                                                                                                                               |
| Host                       | Rabbit                                                                                                                                                                                                                                 |
| Category                   | Antikörper                                                                                                                                                                                                                             |
| Application                | IF, WB                                                                                                                                                                                                                                 |
| Immunogen                  | Recombinant mutated BirA protein from E.coli produced using the following plasmid: TurboID-His6_pET21a, (Plasmid 107177).<br>Expression was done in a vector that allowed for the generation of an untagged protein (without HIS6tag). |
| Clonality                  | Polyclonal                                                                                                                                                                                                                             |
| Molecular Weight           | Depends upon fusion partner                                                                                                                                                                                                            |
| Purity                     | Immunogen affinity purified serum, in PBS pH 7.4, conjugated to DyLight 594.                                                                                                                                                           |
| Form                       | Liquid in PBS pH 7,4.                                                                                                                                                                                                                  |
| Application Dilute         | To be determined by end user.                                                                                                                                                                                                          |
