## Product Datasheet

### **Esterase Antibody, Rabbit, Polyclonal** **ROC-200-4169-0100**

|                            |                                                            |
|----------------------------|------------------------------------------------------------|
| Article Name               | Esterase Antibody, Rabbit, Polyclonal                      |
| Biozol Catalog Number      | ROC-200-4169-0100                                          |
| Supplier Catalog Number    | 200-4169-0100                                              |
| Alternative Catalog Number | ROC-200-4169-0100                                          |
| Manufacturer               | Rockland Immunochemicals                                   |
| Host                       | Rabbit                                                     |
| Category                   | Antikörper                                                 |
| Species Reactivity         | Porcine                                                    |
| Immunogen                  | Esterase [Porcine Liver]                                   |
| Conjugation                | Unconjugated                                               |
| Clonality                  | Polyclonal                                                 |
| Concentration              | 0.981 mg/mL by UV absorbance at 280 nm                     |
| NCBI                       | <a href="#">100626873</a>                                  |
| UniProt                    | <a href="#">Q29550</a>                                     |
| Buffer                     | 0.02 M Potassium Phosphate, 0.15 M Sodium Chloride, pH 7.2 |
| Form                       | Lyophilized                                                |
| Target                     | Swine                                                      |
| Antibody Type              | Primary Antibody                                           |

|                    |                                                                                                                                      |
|--------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | ELISA: 1:10,000 - 1:50,000, WB: 1:1,000 - 1:5,000                                                                                    |
| Application Notes  | Anti-Esterase is suitable for use in ELISA and western blot. Specific conditions for reactivity should be optimized by the end user. |
