### Goat IgG anti-Guinea Pig IgG (F(ab)2)-unconj., MinX none ROC-206-1104

|                            |                                                          |
|----------------------------|----------------------------------------------------------|
| Article Name               | Goat IgG anti-Guinea Pig IgG (F(ab)2)-unconj., MinX none |
| Biozol Catalog Number      | ROC-206-1104                                             |
| Supplier Catalog Number    | 206-1104                                                 |
| Alternative Catalog Number | ROC-206-1104                                             |
| Manufacturer               | Rockland Immunochemicals                                 |
| Host                       | Goat                                                     |
| Category                   | Antikörper                                               |
| Application                | ELISA,IHC,WB                                             |
| Species Reactivity         | Guinea pig                                               |
| Immunogen                  | Guinea Pig IgG F(ab)2 fragment                           |
| Conjugation                | Unconjugated                                             |
| Format                     | IgG                                                      |
| Target Specificity         | IgG (F(ab')2)                                            |
| Cross-Adsorption (MinX)    | no cross-adsorbtion                                      |
| Clonality                  | Polyclonal                                               |
| Concentration              | 10.0 mg/mL by UV absorbance at 280 nm                    |
| Buffer                     | 0.01 M Sodium Phosphate, 0.15 M Sodium Chloride, pH 7.2  |
| Form                       | Lyophilized                                              |

|                    |                                                                                                                                                              |
|--------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target             | Guinea Pig                                                                                                                                                   |
| Antibody Type      | Secondary Antibody                                                                                                                                           |
| Application Dilute | ELISA: 1:20,000 - 1:100,000, IHC: 1:1,000 - 1:5,000, WB: 1:2,000 - 1:10,000                                                                                  |
| Application Notes  | Anti-Guinea Pig IgG F(ab)2 antibody is suitable for ELISA, western blot, and immunohistochemistry, as well as other assays requiring lot-to-lot consistency. |
