### **Rabbit IgG anti-Hamster (all) IgG (F(ab)2)-unconj., MinX none ROC-207-4104**

|                            |                                                               |
|----------------------------|---------------------------------------------------------------|
| Article Name               | Rabbit IgG anti-Hamster (all) IgG (F(ab)2)-unconj., MinX none |
| Biozol Catalog Number      | ROC-207-4104                                                  |
| Supplier Catalog Number    | 207-4104                                                      |
| Alternative Catalog Number | ROC-207-4104                                                  |
| Manufacturer               | Rockland Immunochemicals                                      |
| Host                       | Rabbit                                                        |
| Category                   | Antikörper                                                    |
| Application                | ELISA,IHC,WB                                                  |
| Species Reactivity         | Hamster (all)                                                 |
| Immunogen                  | Hamster IgG F(ab)2 fragment                                   |
| Conjugation                | Unconjugated                                                  |
| Format                     | IgG                                                           |
| Target Specificity         | IgG (F(ab')2)                                                 |
| Cross-Adsorption (MinX)    | no cross-adsorbtion                                           |
| Clonality                  | Polyclonal                                                    |
| Concentration              | 10.0 mg/mL by UV absorbance at 280 nm                         |
| Buffer                     | 0.01 M Sodium Phosphate, 0.15 M Sodium Chloride, pH 7.2       |
| Form                       | Lyophilized                                                   |

|                    |                                                                                                                                                                         |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target             | Golden Syrian Hamster                                                                                                                                                   |
| Antibody Type      | Secondary Antibody                                                                                                                                                      |
| Application Dilute | ELISA: 1:20,000 - 1:100,000, IHC: 1:1,000 - 1:5,000, WB: 1:2,000 - 1:10,000                                                                                             |
| Application Notes  | Anti-Golden Syrian Hamster IgG F(ab)2 antibody is suitable for ELISA, western blot, and immunohistochemistry, as well as other assays requiring lot-to-lot consistency. |
