| Manufacturer               | Rockland Immunochemicals                                                                                                                                                           |
| Host                       | Rabbit                                                                                                                                                                             |
| Category                   | Antikörper                                                                                                                                                                         |
| Species Reactivity         | Human                                                                                                                                                                              |
| Immunogen                  | Anti-HDAC10 affinity purified antibody was prepared from whole rabbit serum produced by repeated immunizations with a synthetic peptide at the C-terminal of human HDAC10 protein. |
| Conjugation                | Unconjugated                                                                                                                                                                       |
| Clonality                  | Polyclonal                                                                                                                                                                         |
| Concentration              | 1.1 mg/mL by UV absorbance at 280 nm                                                                                                                                               |
| NCBI                       | <a href="#">969</a>                                                                                                                                                                |
| UniProt                    | <a href="#">Q969S8</a>                                                                                                                                                             |
| Buffer                     | 0.02 M Potassium Phosphate, 0.15 M Sodium Chloride, pH 7.2                                                                                                                         |
| Form                       | Liquid (sterile filtered)                                                                                                                                                          |
| Target                     | Human                                                                                                                                                                              |

|                    |                                                                                                                                                                                                                                                       |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Antibody Type      | Primary Antibody                                                                                                                                                                                                                                      |
| Application Dilute | ELISA: 1: 10,000, WB: 1ug/ml                                                                                                                                                                                                                          |
| Application Notes  | Anti-HDAC10 antibody is useful for ELISA, Immunohistochemistry, and Western Blot. Specific conditions for reactivity should be optimized by the end user. Expect a band approximately ~71kDa corresponding to the appropriate cell lysate or extract. |
