### Rabbit IgG anti-Sheep IgG (F(ab)2)-HRPO, MinX Hu, Polyclonal ROC-613-4330

|                            |                                                              |
|----------------------------|--------------------------------------------------------------|
| Article Name               | Rabbit IgG anti-Sheep IgG (F(ab)2)-HRPO, MinX Hu, Polyclonal |
| Biozol Catalog Number      | ROC-613-4330                                                 |
| Supplier Catalog Number    | 613-4330                                                     |
| Alternative Catalog Number | ROC-613-4330                                                 |
| Manufacturer               | Rockland Immunochemicals                                     |
| Host                       | Rabbit                                                       |
| Category                   | Antikörper                                                   |
| Application                | ELISA,IHC,WB                                                 |
| Species Reactivity         | Sheep                                                        |
| Immunogen                  | Sheep IgG F(ab)2 fragment                                    |
| Conjugation                | HRPO                                                         |
| Format                     | IgG                                                          |
| Target Specificity         | IgG (F(ab')2)                                                |
| Cross-Adsorption (MinX)    | Human                                                        |
| Clonality                  | Polyclonal                                                   |
| Concentration              | 1.0 mg/mL by UV absorbance at 280 nm                         |
| Buffer                     | 0.02 M Potassium Phosphate, 0.15 M Sodium Chloride, pH 7.2   |
| Form                       | Lyophilized                                                  |

|                    |                                                                                                                                                                              |
|--------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target             | Sheep                                                                                                                                                                        |
| Antibody Type      | Secondary Antibody                                                                                                                                                           |
| Application Dilute | ELISA: 1:100,000, IHC: 1:500 - 1:2,500, WB: 1:1,000 - 1:5,000                                                                                                                |
| Application Notes  | Anti-Sheep IgG F(ab)2 antibody is suitable for use in ELISA, immunohistochemistry, and western blot. Specific conditions for reactivity should be optimized by the end user. |
