## Product Datasheet

### Goat F(ab)2 anti-Human Lambda light chain-FITC, MinX none ROC-709-1211

|                            |                                                            |
|----------------------------|------------------------------------------------------------|
| Article Name               | Goat F(ab)2 anti-Human Lambda light chain-FITC, MinX none  |
| Biozol Catalog Number      | ROC-709-1211                                               |
| Supplier Catalog Number    | 709-1211                                                   |
| Alternative Catalog Number | ROC-709-1211                                               |
| Manufacturer               | Rockland Immunochemicals                                   |
| Host                       | Goat                                                       |
| Category                   | Antikörper                                                 |
| Application                | FLISA,FACS,IF                                              |
| Species Reactivity         | Human                                                      |
| Immunogen                  | Human lambda light chain                                   |
| Conjugation                | FITC                                                       |
| Format                     | F(ab')2                                                    |
| Target Specificity         | Lambda (light chain)                                       |
| Cross-Adsorption (MinX)    | no cross-adsorbtion                                        |
| Clonality                  | Polyclonal                                                 |
| Concentration              | 1.0 mg/mL by UV absorbance at 280 nm                       |
| Buffer                     | 0.02 M Potassium Phosphate, 0.15 M Sodium Chloride, pH 7.2 |
| Form                       | Lyophilized                                                |

|                    |                                                                                                                                                                                                                                                                   |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target             | Human                                                                                                                                                                                                                                                             |
| Antibody Type      | Secondary Antibody                                                                                                                                                                                                                                                |
| Application Dilute | FLISA: 1:10,000 - 1:50,000, Flow Cytometry: 1:500 - 1:2,500, IF Microscopy: 1:1,000 - 1:5,000                                                                                                                                                                     |
| Application Notes  | F(ab)2 Anti-Human (lambda light chain) Fluorescein Conjugated Antibody has been tested by western blot and is designed for immunofluorescence microscopy, fluorescence based plate assays (FLISA) and fluorescent western blotting. This product is also suitable |
