| Biozol Catalog Number      | ROC-711-1522                                                                                              |
| Supplier Catalog Number    | 711-1522                                                                                                  |
| Alternative Catalog Number | ROC-711-1522                                                                                              |
| Manufacturer               | Rockland Immunochemicals                                                                                  |
| Host                       | Goat                                                                                                      |
| Category                   | Antikörper                                                                                                |
| Application                | ELISA,IHC,WB                                                                                              |
| Species Reactivity         | Rabbit                                                                                                    |
| Immunogen                  | Rabbit IgG whole molecule                                                                                 |
| Conjugation                | Alk. Phos.                                                                                                |
| Format                     | F(ab')2                                                                                                   |
| Target Specificity         | IgG (H+L)                                                                                                 |
| Cross-Adsorption (MinX)    | Bovine,Gallus,Goat,Guinea pig,Hamster<br>(all),Equine,Human,Mouse,Rat,Sheep                               |
| Clonality                  | Polyclonal                                                                                                |
| Concentration              | 0.5 mg/mL by UV absorbance at 280 nm                                                                      |

|                    |                                                                                                                                                                                                                                                              |
|--------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Buffer             | 0.05 M Tris Chloride, 0.15M Sodium Chloride, 0.001M Magnesium Chloride, 0.0001M Zinc Chloride, 50% (v/v) Glycerol, pH 8.0                                                                                                                                    |
| Form               | Liquid (sterile filtered)                                                                                                                                                                                                                                    |
| Target             | Rabbit                                                                                                                                                                                                                                                       |
| Antibody Type      | Secondary Antibody                                                                                                                                                                                                                                           |
| Application Dilute | ELISA: 1:2,000 - 1:10,000, IHC: 1:200 - 1:1,000, WB: 1:500 - 1:2,500                                                                                                                                                                                         |
| Application Notes  | F(ab)2 Anti-Rabbit IgG Alkaline Phosphatase Conjugated Antibody has been tested by ELISA and is assayed against 1.0 µg of Rabbit IgG in a standard capture ELISA using pNPP p-nitrophenyl phosphate code NPP-10 as a substrate for 30 minutes at room temper |
