## Product Datasheet

### Sheep Red Blood Cells 10% Washed Pooled Cells ROC-R405-0100

|                            |                                                                                                                   |
|----------------------------|-------------------------------------------------------------------------------------------------------------------|
| Article Name               | Sheep Red Blood Cells 10% Washed Pooled Cells                                                                     |
| Biozol Catalog Number      | ROC-R405-0100                                                                                                     |
| Supplier Catalog Number    | R405-0100                                                                                                         |
| Alternative Catalog Number | ROC-R405-0100                                                                                                     |
| Manufacturer               | Rockland Immunochemicals                                                                                          |
| Category                   | Zellen/Zellkultur                                                                                                 |
| Conjugation                | Unconjugated                                                                                                      |
| Buffer                     | 0.02 M Potassium Phosphate, 0.15 M Sodium Chloride, pH 7.2                                                        |
| Source                     | Sheep                                                                                                             |
| Form                       | Liquid                                                                                                            |
| Application Notes          | Complement titration, adsorption procedures, HA assays and for the preparation of stroma as particulate reagents. |
