## Product Datasheet

### Trypanosoma PLB Recombinant Protein N-Ter His tag, E. coli PTG-PX-P1141-100

|                            |                                                            |
|----------------------------|------------------------------------------------------------|
| Article Name               | Trypanosoma PLB Recombinant Protein N-Ter His tag, E. coli |
| Biozol Catalog Number      | PTG-PX-P1141-100                                           |
| Supplier Catalog Number    | PX-P1141-100                                               |
| Alternative Catalog Number | PTG-PX-P1141-100                                           |
| Manufacturer               | ProteoGenix                                                |
| Host                       | E. coli                                                    |
| Category                   | Proteine/Peptide                                           |
| Species Reactivity         | Protozoa                                                   |
| Molecular Weight           | 33.31 kDa                                                  |
| Tag                        | Yes                                                        |
| UniProt                    | <a href="#">F9WF01</a>                                     |
| Buffer                     | PBS, Urea 8M                                               |
| Expression System          | Procaryotic expression                                     |
