## Product Datasheet

### Human Protein S100 beta (S100B) recombinant protein, E. coli PTG-PX-P4007-100

|                            |                                                              |
|----------------------------|--------------------------------------------------------------|
| Article Name               | Human Protein S100 beta (S100B) recombinant protein, E. coli |
| Biozol Catalog Number      | PTG-PX-P4007-100                                             |
| Supplier Catalog Number    | PX-P4007-100                                                 |
| Alternative Catalog Number | PTG-PX-P4007-100                                             |
| Manufacturer               | ProteoGenix                                                  |
| Host                       | E. coli                                                      |
| Category                   | Proteine/Peptide                                             |
| Species Reactivity         | Human                                                        |
| Molecular Weight           | 11.78kDa                                                     |
| Tag                        | Yes                                                          |
| UniProt                    | <a href="#">P04271</a>                                       |
| Buffer                     | PBS, pH 7.5                                                  |
| Expression System          | Procaryotic expression                                       |
