## Product Datasheet

### Human T-cell surface glycoprotein CD3 epsilon chain (CD3E) recombinant protein, Mammal PTG-PX-P4014-100

|                            |                                                                                        |
|----------------------------|----------------------------------------------------------------------------------------|
| Article Name               | Human T-cell surface glycoprotein CD3 epsilon chain (CD3E) recombinant protein, Mammal |
| Biozol Catalog Number      | PTG-PX-P4014-100                                                                       |
| Supplier Catalog Number    | PX-P4014-100                                                                           |
| Alternative Catalog Number | PTG-PX-P4014-100                                                                       |
| Manufacturer               | ProteoGenix                                                                            |
| Host                       | Mammal                                                                                 |
| Category                   | Proteine/Peptide                                                                       |
| Species Reactivity         | Human                                                                                  |
| Molecular Weight           | 15.09kDa                                                                               |
| Tag                        | Yes                                                                                    |
| UniProt                    | <a href="#">P07766</a>                                                                 |
| Buffer                     | 50 mM Tris-HCl, pH 8.0, 150 mM NaCl                                                    |
| Expression System          | Eukaryotic expression                                                                  |
