| Manufacturer               | LifeSpan Biosciences                                                                                                                                                         |
| Host                       | Rabbit                                                                                                                                                                       |
| Category                   | Antikörper                                                                                                                                                                   |
| Application                | IF, IHC, WB                                                                                                                                                                  |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                            |
| Immunogen                  | A synthetic peptide of human NME1                                                                                                                                            |
| Conjugation                | Unconjugated                                                                                                                                                                 |
| Product Description        | NM23 antibody LS-C330879 is an unconjugated rabbit polyclonal antibody to NM23 (NME1) from human. It is reactive with human, mouse and rat. Validated for IF, IHC and WB.... |
| Clonality                  | Polyclonal                                                                                                                                                                   |
| NCBI                       | <a href="#">4830</a>                                                                                                                                                         |
| Buffer                     | PBS, pH 7.3, 0.02% Sodium Azide, 50% Glycerol                                                                                                                                |
| Purity                     | Affinity purified                                                                                                                                                            |

|                    |                                                                                         |
|--------------------|-----------------------------------------------------------------------------------------|
| Form               | PBS, pH 7.3, 0.02% Sodium Azide, 50% Glycerol                                           |
| Application Dilute | IF (1:50 - 1:200), IHC (1:50 - 1:200), WB (1:500 - 1:2000)                              |
| Application Notes  | The predicted MW is 17kDa/19kDa/30kDa, while the observed MW by Western blot was 21kDa. |
