| Product Description        | U2AF65 antibody LS-C331774 is an unconjugated rabbit polyclonal antibody to U2AF65 (U2AF2) from human. It is reactive with human and mouse. Validated for IF, IHC, IP and WB....                                                                                           |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                                                 |
| NCBI                       | <a href="#">11338</a>                                                                                                                                                                                                                                                      |

|                    |                                                                               |
|--------------------|-------------------------------------------------------------------------------|
| Buffer             | PBS, pH 7.3, 0.02% Sodium Azide, 50% Glycerol                                 |
| Purity             | Affinity purified                                                             |
| Form               | PBS, pH 7.3, 0.02% Sodium Azide, 50% Glycerol                                 |
| Application Dilute | IF (1:50 - 1:100), IHC (1:50 - 1:200), IP (1:50 - 1:200), WB (1:500 - 1:2000) |
| Application Notes  | The predicted MW is 53kDa, while the observed MW by Western blot was 115kDa.  |
