## Product Datasheet

### Human Casq2 Recombinant Protein, E. coli PTG-PX-P1078-50

|                            |                                                                                       |
|----------------------------|---------------------------------------------------------------------------------------|
| Article Name               | Human Casq2 Recombinant Protein, E. coli                                              |
| Biozol Catalog Number      | PTG-PX-P1078-50                                                                       |
| Supplier Catalog Number    | PX-P1078-50                                                                           |
| Alternative Catalog Number | PTG-PX-P1078-50                                                                       |
| Manufacturer               | ProteoGenix                                                                           |
| Host                       | E. coli                                                                               |
| Category                   | Proteine/Peptide                                                                      |
| Species Reactivity         | Human                                                                                 |
| Molecular Weight           | 44,72 kDa                                                                             |
| Tag                        | No                                                                                    |
| UniProt                    | <a href="#">O14958</a>                                                                |
| Buffer                     | HEPES 10mM, KCl 80mM, NaCl 80 mM, pH 7.4 if cleavage. PBS, imidazole 400mM if elution |
| Expression System          | Procaryotic expression                                                                |
