## Product Datasheet

### **HRSV-A2 Pre-F-Fusion glycoprotein F0 recombinant protein, Mammal PTG-PX-P6126-100**

|                            |                                                                                            |
|----------------------------|--------------------------------------------------------------------------------------------|
| Article Name               | HRSV-A2 Pre-F-Fusion glycoprotein F0 recombinant protein, Mammal                           |
| Biozol Catalog Number      | PTG-PX-P6126-100                                                                           |
| Supplier Catalog Number    | PX-P6126-100                                                                               |
| Alternative Catalog Number | PTG-PX-P6126-100                                                                           |
| Manufacturer               | ProteoGenix                                                                                |
| Host                       | Mammal                                                                                     |
| Category                   | Proteine/Peptide                                                                           |
| Molecular Weight           | 63.15 kDa                                                                                  |
| Tag                        | C-Terminal His & C-Strep Tag                                                               |
| UniProt                    | <a href="#">P03420</a>                                                                     |
| Buffer                     | Lyophilized from a solution in PBS pH 7.4, 0.02% NLS, 1mM EDTA, 4% Trehalose, 1% Mannitol. |
| Expression System          | Eukaryotic expression                                                                      |
