## Product Datasheet

### **Mouse anti-CD4, clone MEM-241, R-PE (Monoclonal), IgG1, Clone: [MEM-241] MON2048R**

|                            |                                                                                    |
|----------------------------|------------------------------------------------------------------------------------|
| Article Name               | Mouse anti-CD4, clone MEM-241, R-PE (Monoclonal), IgG1, Clone: [MEM-241]           |
| Biozol Catalog Number      | MON2048R                                                                           |
| Supplier Catalog Number    | MON2048R                                                                           |
| Alternative Catalog Number | MON2048R                                                                           |
| Manufacturer               | Monosan                                                                            |
| Host                       | Mouse                                                                              |
| Category                   | Antikörper                                                                         |
| Application                | FC                                                                                 |
| Species Reactivity         | Human                                                                              |
| Immunogen                  | 2 N-terminal domains of human CD4 fused to human IgG1 Fc                           |
| Conjugation                | PE                                                                                 |
| Clonality                  | Monoclonal                                                                         |
| Clone Designation          | [MEM-241]                                                                          |
| Isotype                    | IgG1                                                                               |
| Buffer                     | Stabilizing phosphate buffered saline (PBS) solution containing 15 mM sodium azide |
