| Article Name               | Mouse anti-Hu CD99 Purified, clone 3B2/TA8 (Monoclonal), Clone:<br>[3B2/TA8] |
| Biozol Catalog Number      | MON23244                                                                     |
| Supplier Catalog Number    | MON23244                                                                     |
| Alternative Catalog Number | MON23244                                                                     |
| Manufacturer               | Monosan                                                                      |
| Host                       | Mouse                                                                        |
| Category                   | Antikörper                                                                   |
| Application                | CyTOF, FC                                                                    |
| Species Reactivity         | Human                                                                        |
| Immunogen                  | Human thymocytes                                                             |
| Clonality                  | Monoclonal                                                                   |
| Concentration              | 1 mg/ml                                                                      |
| Clone Designation          | [3B2/TA8]                                                                    |
| Buffer                     | Phosphate buffered saline (PBS), pH 7.4, 15 mM sodium azide                  |
| Form                       | Purified by protein-A affinity chromatography.                               |
