## Product Datasheet

**Anti-IGF2R Antibody Picoband(TM) (monoclonal, 6G2), IgG2b, Clone:  
[6G2], Mouse, Monoclonal  
MON23793**

|                            |                                                                                            |
|----------------------------|--------------------------------------------------------------------------------------------|
| Article Name               | Anti-IGF2R Antibody Picoband(TM) (monoclonal, 6G2), IgG2b, Clone: [6G2], Mouse, Monoclonal |
| Biozol Catalog Number      | MON23793                                                                                   |
| Supplier Catalog Number    | MON23793                                                                                   |
| Alternative Catalog Number | MON23793                                                                                   |
| Manufacturer               | Monosan                                                                                    |
| Host                       | Mouse                                                                                      |
| Category                   | Antikörper                                                                                 |
| Application                | IHC, WB                                                                                    |
| Species Reactivity         | Human                                                                                      |
| Immunogen                  | E. coli-derived human IGF2R recombinant protein (Position: F424-R529).                     |
| Clonality                  | Monoclonal                                                                                 |
| Concentration              | Adding 0.2 ml of distilled water =f 500 µg/ml.                                             |
| Clone Designation          | [6G2]                                                                                      |
| Isotype                    | IgG2b                                                                                      |
| Buffer                     | Each vial contains 4mg Trehalose, 0.9mg NaCl, 0.2mg Na2HPO4, 0.05mg NaN3.                  |
| Form                       | Lyophilized                                                                                |
