## Product Datasheet

### Mouse anti-Keratin 8, clone M20 (Monoclonal), IgG1, Clone: [M20] MON3016

|                            |                                                                      |
|----------------------------|----------------------------------------------------------------------|
| Article Name               | Mouse anti-Keratin 8, clone M20 (Monoclonal), IgG1, Clone: [M20]     |
| Biozol Catalog Number      | MON3016                                                              |
| Supplier Catalog Number    | MON3016                                                              |
| Alternative Catalog Number | MON3016                                                              |
| Manufacturer               | Monosan                                                              |
| Host                       | Mouse                                                                |
| Category                   | Antikörper                                                           |
| Application                | FC, IHC-Fr, WB                                                       |
| Species Reactivity         | Human                                                                |
| Immunogen                  | Cytokeratin isolated from a human breast carcinoma cell line (MCF-7) |
| Clonality                  | Monoclonal                                                           |
| Concentration              | 15 ug/ml                                                             |
| Clone Designation          | [M20]                                                                |
| Isotype                    | IgG1                                                                 |
| Buffer                     | Culture medium with 0.01M Sodium Azide                               |
| Application Dilute         | IHC-Fr (1:20)                                                        |
