## Product Datasheet

### Polyclonal Rabbit anti-Kinesin, polyclonal PS026

|                            |                                                                         |
|----------------------------|-------------------------------------------------------------------------|
| Article Name               | Polyclonal Rabbit anti-Kinesin, polyclonal                              |
| Biozol Catalog Number      | PS026                                                                   |
| Supplier Catalog Number    | PS026                                                                   |
| Alternative Catalog Number | PS026                                                                   |
| Manufacturer               | Monosan                                                                 |
| Host                       | Rabbit                                                                  |
| Category                   | Antikörper                                                              |
| Application                | ICC, WB                                                                 |
| Species Reactivity         | Human, Mouse, Porcine                                                   |
| Immunogen                  | stalk domain of human kinesin (aa 331-906) expressed in E. coli (FKHC3) |
| Clonality                  | Polyclonal                                                              |
| Concentration              | 1 mg/ml                                                                 |
| Buffer                     | Phosphate buffered saline (PBS) solution with 15 mM sodium azide        |
