| Category                   | Antikörper                                                                                                                                                                                                                                                    |
| Application                | IHC                                                                                                                                                                                                                                                           |
| Species Reactivity         | Human                                                                                                                                                                                                                                                         |
| Immunogen                  | Recombinant full-length human MUC5AC protein                                                                                                                                                                                                                  |
| Product Description        | Mucins are a group of high molecular weight glycoproteins consisting of a mucin core protein and O-linked carbohydrates. Mucin 6 carries GlcNAc1,Üi4Gal,ÜiR structures, indicating that 1, 4-N-acetylglucosaminyltransferase is important to the formation... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                    |
| Clone Designation          | [MUC5AC/8340R]                                                                                                                                                                                                                                                |
| Molecular Weight           | 400-600 kDa                                                                                                                                                                                                                                                   |
| NCBI                       | <a href="#">4586</a>                                                                                                                                                                                                                                          |

|         |                                                                                                                                                                        |
