| Category                   | Antikörper                                                                                                                                                                                                                                                    |
| Application                | FC, IF, IHC, WB                                                                                                                                                                                                                                               |
| Species Reactivity         | Human                                                                                                                                                                                                                                                         |
| Immunogen                  | Recombinant fragments and/or synthetic peptides of human KRT76 and KRT77 proteins (exact sequences are proprietary)                                                                                                                                           |
| Product Description        | MonoPoly antibodies are designed by pooling several monospecific, recombinant monoclonal antibodies against a target. MonoPoly antibodies are a kind of synthetic polyclonal antibodies that can be produced in unlimited quantity with a strict lot-to-lo... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                    |
| Clone Designation          | [MonoPoly/7249R]                                                                                                                                                                                                                                              |
| Molecular Weight           | 40-67kDa                                                                                                                                                                                                                                                      |
| NCBI                       | Multiple                                                                                                                                                                                                                                                      |

|      |                                                                                                                                          |
|------|------------------------------------------------------------------------------------------------------------------------------------------|
| Form | 200ug/ml of Ab purified by Protein A. Prepared in 10mM PBS with 0.05% BSA & 0.05% azide. Also available WITHOUT BSA & azide at 1.0mg/ml. |
