| Category                   | Antikörper                                                                                                               |
| Application                | WB                                                                                                                       |
| Species Reactivity         | Mouse                                                                                                                    |
| Immunogen                  | Recombinant MAP4K5 (Ala9-Ser231) expressed in E. coli.                                                                   |
| Conjugation                | PE                                                                                                                       |
| Product Description        | MAP4K5 antibody LS-C723141 is a PE-conjugated rabbit polyclonal antibody to mouse MAP4K5 (aa9-231). Validated for WB.... |
| Clonality                  | Polyclonal                                                                                                               |
| NCBI                       | <a href="#">11183</a>                                                                                                    |
| Buffer                     | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol                                                                            |
| Purity                     | Antigen-specific affinity chromatography followed by Protein A affinity chromatography                                   |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Form               | PBS, pH 7.4, 0.02% Sodium Azide, 50% Glycerol |
| Application Dilute | WB                                            |
| Application Notes  | WB                                            |
