## Product Datasheet

### ETS23 Antibody, Unconjugated, Gallus, Polyclonal PRS-XG-6121

|                            |                                                                            |
|----------------------------|----------------------------------------------------------------------------|
| Article Name               | ETS23 Antibody, Unconjugated, Gallus, Polyclonal                           |
| Biozol Catalog Number      | PRS-XG-6121                                                                |
| Supplier Catalog Number    | XG-6121                                                                    |
| Alternative Catalog Number | PRS-XG-6121-0.5                                                            |
| Manufacturer               | ProSci                                                                     |
| Host                       | Gallus                                                                     |
| Category                   | Antikörper                                                                 |
| Application                | WB                                                                         |
| Species Reactivity         | Human                                                                      |
| Immunogen                  | ETS2.3 protein, 55 kDa                                                     |
| Conjugation                | Unconjugated                                                               |
| Clonality                  | Polyclonal                                                                 |
| Concentration              | batch dependent                                                            |
| NCBI                       | <a href="#">2114</a>                                                       |
| UniProt                    | <a href="#">P15036</a>                                                     |
| Form                       | Liquid                                                                     |
| Application Dilute         | Optimal dilutions for each application to be determined by the researcher. |
