## Product Datasheet

### Anti-TIA1 pAb, Clone: [Polyclonal], Unconjugated, Rabbit MBL-RN014P

|                            |                                                                    |
|----------------------------|--------------------------------------------------------------------|
| Article Name               | Anti-TIA1 pAb, Clone: [Polyclonal], Unconjugated, Rabbit           |
| Biozol Catalog Number      | MBL-RN014P                                                         |
| Supplier Catalog Number    | RN014P                                                             |
| Alternative Catalog Number | MBL-RN014P                                                         |
| Manufacturer               | MBL                                                                |
| Host                       | Rabbit                                                             |
| Category                   | Antikörper                                                         |
| Application                | IP, WB                                                             |
| Species Reactivity         | Hamster, Human, Mouse, Rat                                         |
| Immunogen                  | KLH-conjugated synthetic peptide NGSMLPNQPSGYRVAGYETQ (367-386 aa) |
| Conjugation                | Unconjugated                                                       |
| Product Description        | Anti-TIA1 (Human) pAb, Rabbit, Polyclonal...                       |
| Clonality                  | Polyclonal                                                         |
| Concentration              | 1 mg/mL                                                            |
| Clone Designation          | [Polyclonal]                                                       |
| NCBI                       | <a href="#">7072</a>                                               |
| Buffer                     | 1 mg/mL in PBS/50% glycerol, pH 7.2                                |

|                    |                                                                                                                                                                                                   |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Source             | This antibody was purified from rabbit serum by affinity column chromatography. The rabbit was immunized with KLH conjugated synthetic peptide, NGSMLPNQPSGYRVAGYETQ corresponding to 367-386 aa. |
| Target             | TIA1                                                                                                                                                                                              |
| Application Dilute | WB: 1:1,000 for chemiluminescence detection system. IP: 5 g/250 L of cell extract from $2.5 \times 10^6$ cells. RIP: 15 $\mu$ g/500 $\mu$ L of cell extract from $6 \times 10^6$ cells            |
