| Article Name               | CAB39L Rabbit pAb, Unconjugated, Polyclonal                                                                                                                                         |
| Biozol Catalog Number      | ABB-A5017                                                                                                                                                                           |
| Supplier Catalog Number    | A5017                                                                                                                                                                               |
| Alternative Catalog Number | ABB-A5017-100UL, ABB-A5017-20UL, ABB-A5017-1000UL, ABB-A5017-500UL                                                                                                                  |
| Manufacturer               | ABclonal                                                                                                                                                                            |
| Host                       | Rabbit                                                                                                                                                                              |
| Category                   | Antikörper                                                                                                                                                                          |
| Application                | ELISA, WB                                                                                                                                                                           |
| Species Reactivity         | Human                                                                                                                                                                               |
| Immunogen                  | Recombinant protein (or fragment). This information is considered to be commercially sensitive.                                                                                     |
| Conjugation                | Unconjugated                                                                                                                                                                        |
| Product Description        | Predicted to enable protein serine/threonine kinase activator activity.<br>Predicted to be involved in intracellular signal transduction.<br>Predicted to be located in cytosol.... |
| Clonality                  | Polyclonal                                                                                                                                                                          |
| Molecular Weight           | 39kDa                                                                                                                                                                               |
| NCBI                       | <a href="#">81617</a>                                                                                                                                                               |
| UniProt                    | <a href="#">Q9H9S4</a>                                                                                                                                                              |

|                    |                                                                                                                                                                                                                                                                                 |
