## Product Datasheet

### KCTD15 Rabbit pAb, Unconjugated, Polyclonal ABB-A8256

|                            |                                                                                                         |
|----------------------------|---------------------------------------------------------------------------------------------------------|
| Article Name               | KCTD15 Rabbit pAb, Unconjugated, Polyclonal                                                             |
| Biozol Catalog Number      | ABB-A8256                                                                                               |
| Supplier Catalog Number    | A8256                                                                                                   |
| Alternative Catalog Number | ABB-A8256-20UL,ABB-A8256-100UL,ABB-A8256-500UL,ABB-A8256-1000UL                                         |
| Manufacturer               | ABclonal                                                                                                |
| Host                       | Rabbit                                                                                                  |
| Category                   | Antikörper                                                                                              |
| Application                | ELISA, WB                                                                                               |
| Species Reactivity         | Human                                                                                                   |
| Immunogen                  | Recombinant protein (or fragment).This information is considered to be commercially sensitive.          |
| Conjugation                | Unconjugated                                                                                            |
| Product Description        | Enables identical protein binding activity. Predicted to be involved in protein homooligomerization.... |
| Clonality                  | Polyclonal                                                                                              |
| Molecular Weight           | 32kDa                                                                                                   |
| NCBI                       | <a href="#">79047</a>                                                                                   |
| UniProt                    | <a href="#">Q96S11</a>                                                                                  |

|                    |                                                                                                                                                                                                                                                          |
