## Product Datasheet

### **Classical swine fever virus (CSFV) CSFV E2 glycoprotein recombinant protein, Mammal PTG-PX-P6450-100**

|                            |                                                                                     |
|----------------------------|-------------------------------------------------------------------------------------|
| Article Name               | Classical swine fever virus (CSFV) CSFV E2 glycoprotein recombinant protein, Mammal |
| Biozol Catalog Number      | PTG-PX-P6450-100                                                                    |
| Supplier Catalog Number    | PX-P6450-100                                                                        |
| Alternative Catalog Number | PTG-PX-P6450-100                                                                    |
| Manufacturer               | ProteoGenix                                                                         |
| Host                       | Mammal                                                                              |
| Category                   | Proteine/Peptide                                                                    |
| Molecular Weight           | 67.47 kDa                                                                           |
| Tag                        | C-Terminal Fc (Pig IgG3) Tag                                                        |
| Buffer                     | PBS pH 7.4, 1mM EDTA, 4% Trehalose, 1% Mannitol.                                    |
| Expression System          | Eukaryotic expression                                                               |
