## Product Datasheet

### **MAPK14(CPTC-MAPK14-1), CF640R conjugate, 0.1mg/mL, Clone: [CPTC-MAPK14-1], Mouse, Monoclonal BOT-BNC402228-500**

|                            |                                                                                                                                                                                                                                                               |

| Species Reactivity         | Human                                                                                                                                                                                                                                                         |
| Immunogen                  | Recombinant human full-length protein                                                                                                                                                                                                                         |
| Conjugation                | CF640R                                                                                                                                                                                                                                                        |
| Product Description        | The protein encoded by this gene is a member of the MAP kinase family. MAP kinases act as an integration point for multiple biochemical signals, and are involved in a wide variety of cellular processes such as proliferation, differentiation, transcri... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                    |
| Concentration              | 0.1 mg/mL                                                                                                                                                                                                                                                     |
| Clone Designation          | [CPTC-MAPK14-1]                                                                                                                                                                                                                                               |
